

Health Savings Account Overview

The KeyBank health savings account (HSA) gives you flexibility while helping you manage rising healthcare costs.

The KeyBank HSA is an interest-bearing account that allows you to make tax-free withdrawals to pay for trips to the doctor, filling prescriptions, or other healthcare-related expenses. Simply make contributions to your KeyBank HSA through payroll deductions, direct deposit, deposits at any KeyBank branch, or by transferring funds from another account in online banking. When you need to make withdrawals for qualified medical expenses, just use your KeyBank HSA checks or debit card or make payments or transfers using online banking and Key Bill Pay.

Two simple ways to open your KeyBank HSA

- **Online** – The most convenient way to apply. Just go to key.com/hsa and choose “Apply Online.” The easy-to-follow instructions will guide you through the process.
- **KeyBank branch** – You can also open an HSA at any KeyBank branch. To find the branch nearest you, go to key.com/branch or call 1-800-KEY2YOU® (539-2968). For clients using a TDD/TTY device, please call 1-800-539-8336.

Contributions to your HSA

When you enroll in a high deductible health plan (HDHP) and open an HSA with KeyBank, your employer may contribute to your HSA. Your contributions, along with those of your employer, (combined) may add up to the amount of – but cannot exceed – the figures below.

The benefits of a KeyBank HSA

- Your tax-advantaged dollars grow and earn interest while in the account, and that interest earned is also tax advantaged.¹
- Your employer may opt to make contributions to your account.
- You can easily manage and track expenses with Key Bill Pay and monitor your account activity through online banking.
- If you leave your job, relocate, or become unemployed, your KeyBank HSA account stays active and goes with you. Your HSA remains active and you may continue to withdraw funds from your account. (To make further contributions, however, you will need to remain enrolled in an HDHP.)
- Unlike flexible spending accounts, the money accrued in your account remains in your account and carries over year after year.
- You control the funds in your HSA.

What are the maximum contributions?

Plan Year	Individual Coverage	Family Coverage	Over 55 Catch-up
2023	\$3,850	\$7,750	\$1,000
